👤 SUMMARY

As a front-end developer, I am passionate about creating user-friendly and visually appealing web experiences. I have a strong understanding of HTML, CSS, and JavaScript and I am proficient in using React, including Next.js, to build dynamic, interactive websites and applications. Additionally, I have experience with TypeScript to enhance code quality and maintainability. I am dedicated to staying up to date with the latest web development trends and technologies, and always strive to enhance the user experience. In my free time, I enjoy traveling and football.

💼 PROFESSIONAL EXPERIENCE

09/2023 – 04/2024	**Pabau Clinic Software** Software Developer • Contributed to the development and maintenance of front-end components and features for Pabau Clinic Software using React, TypeScript, Next.js, HTML, and CSS • Worked closely with the development team to integrate front-end interfaces with GraphQL APIs, ensuring smooth data flow and application functionality. • Gained proficiency in Prisma ORM for database interactions, supporting data reliability and consistency efforts. • Actively participated in code reviews, learning from feedback provided by senior developers and refining coding skills • Engaged in continuous learning and self-improvement, leveraging opportunities to expand knowledge in React, TypeScript, Next.js, and related technologies.
03/2023 – 08/2023	**OCA Solutions** Frontend Developer • Utilized my expertise in HTML, CSS, JavaScript, jQuery, and React to create visually appealing and highly functional user interfaces. • Implemented responsive design principles, ensuring seamless user experiences across different devices and screen sizes. • Regularly conducted code reviews, provide feedback, and adhere to best practices to maintain code quality and ensure a high standard of development. • Stayed up-to-date with emerging frontend technologies, trends, and industry standards, continuously improving skills and exploring innovative solutions. • Contributed to the optimization of website performance, including minification and bundling of assets, to improve page load times and overall user experience.

🧠 SKILLS

- HTML5
- React.js
- GraphQL

- CSS3
- Next.js
- TailwindCSS

- JavsScript
- Typescript

🎓 EDUCATION

2021 – 2024
Prishtine, Kosovo

Bachelor Degree
UBT

2017 – 2020
Fushe Kosove, Kosovo

High School Diploma
Hivzi Sulejmani

📚 COURSES

11/2022 – 02/2023

Advanced Javascript and React
Betroot Academy Kosovo

06/2022 – 08/2022

Javascript Programming
ICK
